Model Release Form

Tuffney Dance Academy often takes video and photograph footage of classes, rehearsals and performances to use as promotional material, on the Academies website and to be bought as souvenirs. Once these video/photos have been taken it remains the property of TDA and can therefore be used for the above previously stated even if the dancer is no longer a student at the Academy.

If your child is under 18 years old we must have parent or guardian consent for these videos and photos to be taken and used, those over 18 year olds may sign on their own behalf

I give permission for my daughter/son ..........................................

to be photographed and filmed during class, rehearsals and performances for promotional and souvenir material for the continued use of Tuffney Dance Academy

Signed: (Parent/guardian if under 18)............................................

Signed: (18 and over)..................................................................
